Remark:

These last stamps of these combinationstamps **PUC143 ▶ PUC171**, the intermediate panels are **NOT horizontally toothed**
 In **OBP for PUC137A ▶ PUC171** it states: 'Pubs toothed on 4 sides' (intermediate panel horizontally toothed)
 Which actually only concerns the **PUC137A ▶ PUC142A** combinations

PUC143 ▶ PUC171 also exists with oily with poststamps No. 528b

These combinations are shown in the following pages
